GENERAL NOTES

- Public easements donated on this plat are hereby dedicated to the public forever. Any public utility, including the City of Tomball, shall have the right at all times, of ingress and egress to and from and upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining and adding to or removing all or part of its respective systems without the necessity of any time of procuring the permission of the property owner. Any public utility, including the City of Tomball, shall have the right to move and keep moved all or part of any building, fences, trees, shrubs, other growths or improvements that in any way endanger or interfere with the construction, maintenance or efficiency of it's respective systems on any of the easements shown on this plat. Neither the city of Tomball nor any other public utility shall be responsible for any damages to property within an easement arising out of the removal or relocation of any obstruction in the public easement.
- According to FEMA Firm Panel No. 48201 C0230L (Effective Date June 18, 2007), this property is in Zone "X" and Zone "X Shaded" and is not in the 0.2% Annual Chance Flood Plain.
- All oil/gas pipelines or pipeline easements with ownership through the subdivision have been shown.
- No building or structure shall be constructed across any pipelines, building lines, and/or easements. Building setback lines will be required adjacent to oil/gas pipelines. The setbacks at a minimum should be 15 feet off centerline of low pressure gas lines, and 30 feet off centerline of high pressure gas lines.
- This plat does not attempt to amend or remove any valid covenants or restrictions.
- The Building Lines shown on this plat shall be in addition to, and shall not limit or replace, any building lines required by the City of Tomball Code of Ordinances at the time of the development of the property.
- Pipeline right-of-way easement in favor of Stanolind Pipe Line Company as set forth in instrument recorded in Volume 935, Page 724 of the Deed Records of Harris County, Texas. (No Visible Evidence Crossing Subject Property)
- This plat requires compliance with landscaping requirements prior to occupancy of structures as mandated in "Regulations of Harris County, Texas for the Approval and Acceptance of Infrastructure".

City Council Public Hearing Date: March 21, 2016

Rezoning Case: P15-0158
Property Owner(s): Adam Ruiz, Jr.
Applicant(s): Maple Creek Bed & Breakfast, c/o Michael L. Clark
Legal Description: Tract 3, 5.663 acres of McGraw Tract II, a subdivision in the Ralph Hubbard Survey, Abstract 383
Location: 519 E. Hufsmith (Exhibit "A")
Area: 5.663 acres
Comp Plan Designation: Rural Residential (Exhibit "B")
Present Zoning and Use: Single-Family 20 Estate (Exhibit "C") / Single-Family home (Exhibit "D")
Proposed Use(s): Bed and Breakfast Inn
Request: CUP to allow a Bed and Breakfast Inn
Adjacent Zoning & Land Uses:
 North: Single-Family 20 Estate District / Single-Family home
 South: Single-Family 9 District / Wood shop and tax office
 West: Single-Family 20 Estate District / Single-family home
 East: Single-Family 20 Estate District / Single-family home

BACKGROUND

In December 2015, City staff met with Michael and Rebecca Clark and Samuel Whisler to discuss the possibility of converting an existing residence they are interested in purchasing into a Bed and Breakfast. City staff informed the applicant of the following:

- The proposed use is classified as a "Bed and Breakfast Inn" per Section 50-82 (b) (*Use Charts*) of the Zoning Ordinance;
- The property is zoned Single-Family 20 Estate District; and
- The "Bed and Breakfast Inn" use is only permitted in the Single-Family 20 Estate District with a Conditional Use Permit (CUP).

On December 29, 2015, City Staff received a CUP application (Exhibit "E") and concept plan (Exhibit "F") requesting a CUP for Maple Creek Bed & Breakfast.

The case was initially placed on the February 8, 2016 Planning and Zoning Commission meeting, however, the applicant requested that the case be placed on a future agenda to allow for further research on their part.

ANALYSIS

According to Section 50-81 (f) of the Zoning Ordinance, when considering applications for a CUP, the City shall, on the basis of the concept plan and other information submitted, evaluate the impact of the conditional use on, and the compatibility of the use with, surrounding properties and neighborhoods to ensure the appropriateness of the use at a particular location. Specific considerations shall include the extent to which:

1. The proposed use at the specified location is consistent with the goals, objectives, and policies contained in the adopted Comprehensive Plan;

The Comprehensive Plan identifies the subject site as Rural Residential which is typically for “single family detached residential development on minimum 1 acre lots”. The proposed use appears to be consistent with the Comprehensive Plan for the following reasons:

- Although Bed and Breakfast Inn is not specifically mentioned in the Rural Residential section of the Comprehensive Plan as an envisioned use, this request is a use permitted by CUP in the SF-20E District which is the district most compatible with the Rural Residential classification.
- The scale of operation, location of the structures, hours of operation, landscaping, and screening/buffering mechanisms proposed on the concept plan appear to minimize potential impact of the use on adjacent properties.

2. The proposed use is consistent with the general purpose and intent of the applicable zoning district regulations;

According to the Zoning Ordinance, “a conditional use is a land use which, because of its unique nature, is compatible with the permitted land uses in a given zoning district only upon a determination that the external effects of the use in relation to the existing and planned uses of adjoining property and the neighborhood can be mitigated through imposition of certain standards and conditions.”

The external effect of the proposed use on the existing and planned uses of adjoining property and neighborhood appear to be mitigated through the scale of operation, location of the structures, hours of operation, landscaping, and screening/buffering mechanisms proposed on the concept plan as discussed above.

3. The proposed use meets all supplemental standards specifically applicable to the use as set forth in the Zoning Ordinance;

Should the CUP application be approved by City Council, the applicant will be required to submit a site plan application, and supporting documents, to the City for review and approval. Specific details of site modifications will be shown at the time of site plan

review, however, the proposed concept plan appears to be generally consistent with the Zoning Ordinance.

4. **The proposed use is compatible with and preserves the character and integrity of adjacent development and neighborhoods and, as required by the particular circumstances, includes improvements or modifications either on-site or within the public rights-of-way to mitigate development-related adverse impacts;**

The proposed use appears to be compatible with and preserves the character and integrity of the adjacent development and neighborhood. While the site is currently a single-family home and is surrounded predominantly by single-family homes, they are large lot homes which are significantly setback from property lines. Furthermore, it is not anticipated that the conversion from residential to the proposed bed and breakfast will negatively impact adjacent properties as the size of the home will not permit a large operation. Additionally, as a CUP is required to have a concept plan, future expansions to this site or structure will require further approvals by City Council.

5. **The proposed use is not materially detrimental to the public health, safety, convenience and welfare, or results in material damage or prejudice to other property in the vicinity.**

The proposed uses and concept plan do not appear to be materially detrimental to the public health, safety, convenience and welfare, or result in material damage or prejudice to other property in the vicinity.

PUBLIC COMMENT

Property owners within 200 feet of the project site were mailed notification of this proposal on March 2, 2016. A sign was placed on the property and Notice of Public Hearing was published in the paper on February 29, 2016. As of March 10, 2016, no public comment forms have been received.

When the case was originally scheduled to be placed on the February 8, 2016 P&Z agenda, notification was mailed to property owners on January 27, 2016. Four responses were received. Three were in opposition of the case and one with concerns about the case.

RECOMMENDATION

Based on the findings outlined in the analysis section of this staff report, City staff recommends **APPROVAL** of Zoning Case P15-0158, subject to the following condition of approval:

- 1) The site shall be developed and operated in substantial compliance with Exhibit "F."

RE: 519 E. Hufsmith, Tomball, Texas 77375

To Whom It May Concern:

According to the city's website, "Tomball is described as a diverse and vibrant community near to the big city while retaining its small town history and hometown sensibilities." We believe that the addition of a Bed & Breakfast establishment would help preserve the friendly charm and country atmosphere that Tomball enjoys by offering a relaxing and comfortable alternative to staying in a chain hotel. Maple Creek Bed & Breakfast would strive to welcome guests in like family and provide an experience that showcases the benefits of personal touch.

Attached please find our Application for a Conditional Use Permit for the property located at 519 E. Hufsmith in Tomball, Texas. This property is currently zoned as a single-family (SF-20) home and has been on the real estate market since February 2015. Our family is interested in purchasing this property, contingent upon the City of Tomball's approval to operate the home as a Bed & Breakfast. Ownership and management of the property would be shared by the four of us. We bring a total of five college degrees, 25 years of corporate business experience, 15 years of small business experience and four years of concierge experience, some of which is specific to the Bed & Breakfast industry.

We met with Harold Ellis, Craig Meyers and Lance Wilson on December 16, 2015 to seek their input regarding the steps that need to be taken to safely operate this home as a business. Their recommendations include:

- The addition of a 13D fire sprinkler system
- Additional parking spaces
- Lighting of parking areas
- Fencing targeted at protecting the privacy of the neighbors while also preserving the beauty of the property
- Pool signage displaying depth, rules and lifeguard presence

Implementation of these items will begin after we close on the sale of the home, currently scheduled for February 29, 2016, provided we receive the approval of our C.U.P. application.

Tomball is conveniently located to a wide variety of sight-seeing and recreational activities located in and around Houston. Given its access to the existing Tomball Parkway and the future Grand Parkway, our Bed & Breakfast would attract guests to Tomball from a wide variety of markets. Business travelers, families on vacation or couples looking for a romantic get-away would all enjoy a warm welcome – a place where our family can make our guests' needs the highest priority!

It is our family's dream to own and operate this type of business, and we are confident that the City of Tomball will not regret issuing a C.U.P. to make this dream a reality. Please do not hesitate to contact us at bnbresearchers@gmail.com or (832) 248-5232 should you need any additional information to complete our application.

Excited about working together,

Michael Clark

**APPLICATION FOR
CONDITIONAL USE PERMIT**
Community Development Department
Planning Division

A conditional use is a land use which, because of its unique nature, is compatible with the permitted land uses in a given zoning district only upon a determination that the external effects of the use in relation to the existing and planned uses of adjoining property and the neighborhood can be mitigated through imposition of certain standards and conditions.

No conditional use shall be established and no building permit shall be issued for any use designated as a conditional use within any zoning district until a conditional use permit (CUP) is approved and issued in accordance with the provisions of Section 50-34 of the Code of Ordinances.

EXECUTIVE SUMMARY

Maple Creek Bed & Breakfast, Tomball, Texas

Owners: Michael & Rebecca Clark and Samuel & Katelyn Whisler

Product

Maple Creek Bed & Breakfast is located at 519 East Hufsmith in Tomball, Texas. It is our goal to welcome guests in like family and provide them a relaxing and comfortable alternative to staying in a chain hotel. We desire to provide an experience that showcases the benefits of personal touch in a charming, country atmosphere. The business is located inside of a large home that includes four guest suites, four full-bathrooms, one half-bath, a pool as well as separate living quarters for on-site management. There will be parking equal to the number of guest suites, in addition to parking for the on-site management. No new construction is needed on the main house.

In addition to comfortable guests rooms and a warm breakfast served daily, there are also many amenities available for guests to enjoy. On-site recreation available to our guests include swimming, archery and fishing, in addition to billiards, ping pong, and a large video library for guests' viewing enjoyment. Activities located nearby in the city of Tomball include shopping, antique looking, a shooting range, bowling, fresh berry picking, a drive-in movie theater and the largest Farmers Market in Harris County. Sights located within a short drive of the B&B include several museums, the Houston Zoo, the Houston Aquarium, and several theaters performing operas and plays. Seasonal activities include the German Heritage Festival (March), Houston Rodeo (March), and the Renaissance Festival (October-November). With convenient access to Highway 249 and the future Grand Parkway, all of Houston is very accessible!

Market

Whether they be traveling a long distance or just wanting to escape the mundaneness of their daily routine, Maple Creek Bed & Breakfast will strive to make each booking a memorable experience. Our most frequent customers will be the couple looking for a romantic get-away or visiting local friends and family. Our other customers will be business travelers from nearby businesses such as Baker Hughes, HP or those of The Woodlands and downtown Houston. We will also target guests who are in town utilizing any of Tomball's amenities, such as Tomball Regional Medical Center or Prospects Baseball Academy. All of these travelers not only want a comfortable spot to lay their heads, but also a personal touch that a normal hotel could not offer them.

Our competition will be anyone or place that offers an overnight stay. That would include other B&B's, hotels, motels or even friends & family members. While all of our competitors provide a place to sleep, not all serve a fresh, homemade breakfast like Maple Creek. Hotels and motels have become sterilized with each room looking the same as the next one. Our B&B will give guests a unique room that no one else will be able to imitate. This, in addition to our plethora of amenities, will differentiate Maple Creek from our competitors.

Promotion

One of our first priorities will be to get Maple Creek B&B's website up and running. Another important step will be to gain exposure on various websites that specifically promote Bed & Breakfast establishments such as www.bedandbreakfast.com or www.iloveinns.com. People who go to those sites are looking for places like Maple Creek Bed & Breakfast rather than "cookie-cutter" hotels. We will also market online via social media such as Facebook, Pinterest, TripAdvisor and Google. At the beginning of our business, we would like to use a crowd funding program to spread word of our existence while also easing our financial outlays. Websites such as www.kickstarter.com or www.indiegogo.com give people an opportunity to invest in individuals and companies who are trying to reach a financial goal for a specific purpose. In addition to these online and digital forms of marketing, we will also use physical advertising tools such as brochures and printed advertising. We desire to build friendships with the other local business owners in the area so that we can work together to promote each other's businesses. All of these marketing outlets will allow us to portray ourselves to our potential customers as a comfortable and beautiful place to spend the night and enjoy the City of Tomball.

Management

Maple Creek B&B is a service-based business that will be jointly managed and maintained by the four owners – Michael & Rebecca Clark and Samuel & Katelyn Whisler. Oversight of the day-to-day tasks will be shared by Rebecca Clark and Katelyn Whisler, and will include reservations, marketing, customer service, preparation of breakfast and preparing the suites for guest arrival. As we will not be preparing food for any non-guests, a health permit is not required. Rebecca has a BA in Management Information Systems and brings to the venture 15 years of small business experience. She also has three years of management and bookkeeping experience in a related concierge industry. Katelyn has a BA in Management and a BA in Marketing, in addition to invaluable experience gained while being involved with the daily operation of a competing B&B in Houston for nine months. Maple Creek Bed & Breakfast - Proposed Parking Plan

519 E Hufsmith Road; Tomball, Texas 77375

The City of Tomball Ordinances provide that with the approval of a Conditional Use Permit (CUP), the property at 519 E Hufsmith, which is currently zoned as SF 20, can be operated as a Bed & Breakfast with accommodations for up to five sets of guests.

The current configuration of the house gives it the ability to host four sets of guests. As per the City of Tomball Zoning Ordinance, a property being operated as a Bed & Breakfast shall provide each set of guests one parking spot along with two parking spots for the owner/operator of the property.

The parking plan diagramed below provides a total of seven (7) parking spaces, which exceeds the zoning requirements by one until such time as the house is modified to provide a fifth guest accommodation.

The proposed new parking area (spaces #6-7 in the above diagram) will consist of a 20-foot by 20-foot area of Type D HMAC pavement top upon a 10-inch base of compacted cement-stabilized base material.

The existing parking spaces depicted in the diagram (spaces #1-5) which be striped as applicable per relevant city and state code. Stall #3 will be designated and marked as a handicap accessible parking space.

RE: 519 E. Hufsmith, Tomball, Texas 77375

To Whom It May Concern:

After submitting our Conditional Use Permit on December 30, 2015, it was brought to our attention that a few of the neighbors had some concerns about a business being operated in such close proximity to their homes. This knowledge was of great concern to us, as we desire to have strong and friendly relationships with our neighbors from day one of our moving into the Tomball area. Following please find an attachment we would like to submit along with our original application. This documentation summarizes all of our efforts to reach out to the neighbors to allow them to meet us and address any and all concerns they might have about Maple Creek Bed & Breakfast. You will find the following for your review:

- Journal outlining all Neighbor Communications as of 3/6/16
- Letter of Introduction that we sent to all neighbors on 2/25/16
- Follow-up Q&A letter we sent to all neighbors on 3/1/16
- A Q&A sheet that we put together that answers several of the questions posed to us
- Check-in paperwork that each guest would sign that states the services provided and property guidelines and policies

Our proposed closing date for the purchase of this property has been rescheduled for April 6, 2016, again contingent upon receiving the approval of our C.U.P. application. We are committed to being a positive addition to Tomball, and will do everything possible to develop healthy relationships with both the City and each and every neighbor.

Thank you for your consideration!

as of 3/6/16

All neighbors

January 25, 2016 - Letter of introduction from Maple Creek B&B explaining our dream, vision for the property, education and personal background. (Copy attached.)

February 9, 2016 - Meet & Greet meeting at 519 E. Hufsmith. Flyers handed out inviting the surrounding neighbors into the home to discuss any thoughts or concerns.

March 1, 2016 - Follow-up letter summarizing steps taken to allow Maple Creek B&B to be a positive addition to the community. Included a Q&A sheet that answered several questions about the B&B as well as the meaning of a Conditional Use Permit. Also included a copy of our "Check-in Policy Sheet" that all guests will sign when they stay with us. (Copy of all attached.)

1430 Neal Drive, Tomball, Texas 77375

Letter of introduction from Maple Creek B&B to all neighbors (referred to above)

Q&A meeting on 2/9/16 at the 519 E. Hufsmith property

Concern: That our guests might wander off of our property, making an existing problem of pedestrians along the waterway trespassing onto adjoining properties worse.

Solution: #1- Agreed to place fencing & signage along the northern boundary to clearly mark property line and minimize pedestrians wandering along the waterway.

#2- Customized our check-in sheet to specifically state that our guests need to remain on the B&B property.

#3- Customized our check-in sheet to forbid use of motorized recreation vehicles

Follow-up letter to all neighbors with Q&A and Policy Sheet attachments (referred to above)

523 E. Hufsmith Road, Tomball, Texas 77375

Face-to-face introduction on 12/27/15.

Letter of introduction from Maple Creek B&B to all neighbors (referred to above)

Q&A meeting on 2/9/16 at the 519 E. Hufsmith property

Concern: #1- That B&B guests might wander off of our property onto theirs

#2- That a B&B is not allowed to operate on SF-20 zoned properties

Solution: #1- Offered to erect a fence of their choosing: 6' opaque fence, 3' corral fence, a hedge or no fence at all

#2- Customized our check-in policy sheet to specifically state that guests need to remain on our property

#3- Explained that certain businesses are allowed to operate on SF-20 land, but only if they complete the CUP application process.

Personal letter to owner on 2/24/16 seeking to finalize fencing choice.

Follow-up letter to all neighbors with Q&A and Policy Sheet attachments.

Voice-mail messages left on 3/4/16 and 3/5/16 offering to meet to finalize fencing choice.

535 E. Hufsmith Road, Tomball, Texas 77375

Face-to-face introduction on 11/22/16.

Letter of introduction from Maple Creek B&B to all neighbors (referred to above)

Breakfast meeting on 2/23/16 to discuss B&B plans, neighborhood concerns and plats on file

January 25, 2016

Dear Neighbor,

After living in Houston for 22 years, our family is getting ready to relocate to Tomball! We are so excited about the doors the Lord has opened for us to launch our family dream of operating a small Bed & Breakfast in a quiet & relaxing setting on East Hufsmith Road.

You will be receiving a letter in the mail from the City of Tomball letting you know of our request to use the single-family home at 519 East Hufsmith as a Bed & Breakfast. We appreciate that Tomball places a high priority on wanting to maintain their quiet, small-town feeling. We would like all of you to know that we desire our move to your city to be a positive addition, and not a distraction in any way from the peaceful setting we all enjoy.

Our plan for Maple Creek Bed & Breakfast is for the main home to offer four suites to welcome guests into, and we will serve them a homemade breakfast in the morning. On-site activities offered will include swimming, archery, and bird & deer watching – we've already seen both! The detached garage will be converted into a small apartment that will allow two of the owners to live full-time on the property so that the home will never be left vacant or unattended. The most common guests that frequent Bed & Breakfasts are either young, romantic newlywed couples, or the couples aged 50-70 who are enjoying their empty-nest years. Both of these demographics will maintain the quiet atmosphere everyone currently enjoys. We do not plan to enlarge the house from its current size or make any additions, except for maybe a pretty gazebo in the backyard!

If you have any concerns or questions about our plans, we would welcome the opportunity to talk with you about them! Mike is coordinating all of our communication and can be reached at (832) 248-5232. We look forward to getting to know all of you better in the near future!

Sincerely,

Mike & Becky Clark

MAPLE CREEK BED & BREAKFAST

15210 Dawn Meadows Dr. Houston, Texas 77068

March 1, 2016

Dear Neighbor,

We wanted to give you an update on our family's plan to move to Tomball with the hope of eventually converting the home located at 519 East Hufsmith into a small Bed & Breakfast. We appreciate the opportunities we have had to meet several of you, and for the conversations we've had offering both your support as well as your concerns about becoming your neighbors. Our request for a Conditional Use Permit with the City of Tomball has raised some questions which we would like to clarify for you.

- First and most importantly is the fact that we are not seeking to rezone the property to "commercial." The property will not change from its current "residential" zoning. We are simply seeking a permit that will allow a Bed & Breakfast to be operated from the home. This permit is only valid for a B&B, and cannot be used or transferred to any other type of business. We would, in fact, stand with you to oppose the surrounding properties being rezoned as "commercial" and completely understand your concerns about that issue.
- Our B&B would only be offering four (4) guest suites, and we will do everything possible to ensure that our guests remain on our property. We plan to add appropriate fencing and signs to clarify property lines and minimize any accidental wandering.
- We have created a "policy sheet" that each guest will be asked to sign and initial when they stay with us. This sheet is attached for your review, and summarizes our services as well as our restrictions, including the prohibition of motorized recreation vehicles and the need to stay on the Maple Creek property.
- Two of the owners will be living on-site, which will allow us to make sure that the rules and policies are being adhered to.
- We put together and also included for your review a "Q&A Sheet" that attempts to answer some of the most common questions.

We are excited about getting to share our vision with the City of Tomball at the zoning committee meeting on March 14th. If you have any additional questions that should arise before then, please contact us at (832) 248-5232 so that we can clarify or find solutions to any remaining concerns.

The customers who tend to seek out a Bed & Breakfast do so because they desire a quiet, homey place to stay versus loud, cluttered hotels. B&B's also often serve as an extension of resident's own homes, offering an extra "guest bedroom" when company comes to town. We love the beauty and peacefulness of this acreage, and seek to protect it so that we can continue to reside on this property for many, many years to come!

Sincerely,

Mike & Becky Clark *Samuel & Katie Whisler*

Zoning & Conditional Use Permit Q&A

Goal: Secure a Conditional Use Permit (CUP) from the City of Tomball to operate a Bed & Breakfast at 519 E Hufsmith, which is currently zoned as Residential SF-20 (Single-Family 20,000 sq. ft.).

Q: Will the property be rezoned 'commercial' and therefore expose this and adjoining properties to future unwanted commercial businesses?

A: No. We are not seeking to change the zoning designation of this property from Residential SF-20 to any other type of zoning classification. We want to keep the Residential SF-20 designation!

Q: Can a CUP for a Bed & Breakfast be transferred to another type of business?

A: No. If the Bed & Breakfast were to go out of business or the property be sold, the property would have to: 1) revert to being just a private residence, 2) continue operating as a Bed & Breakfast, or 3) apply for its own CUP.

Q: If the property obtains a CUP, does that mean any business can operate here?

A: No. A CUP is only valid for the one specific type of business listed on the approved CUP application.

Q: Will guests of the Bed & Breakfast be riding motorized vehicles (ATVs/motorcycles) along the drainage ditch?

A: No, it is against the policy of the Bed & Breakfast to operate any motorized recreation type vehicle on the property or onto any adjoining property.

Q: Will an 'opaque' fence be constructed between the subject property and adjoining residential properties?

A: The City of Tomball will not require that a fence be constructed between us and adjoining properties if both parties don't want a fence. We don't want to put up a fence if at all possible as we want the open views and the free movement of wildlife across and on our property.

Q: Where will guests park their cars?

A: Guests will park close to the main house on the existing paved areas.

**WELCOME TO
MAPLE CREEK BED & BREAKFAST**

Maple Creek Bed & Breakfast is an exclusive property where every guest is both important and special to us! We look forward to making your visit pleasant and comfortable.

BACKGROUND

City staff met with Brandt Construction and Project Manager, Matthew Gilbert on January 6, 2016 to discuss the possibility of rezoning their property for the construction of an office warehouse building.

The property was annexed into the City in 2006. The property owners were issued a vested rights letter (Exhibit "F") on January 10, 2011 for the purpose of a commercial development. The letter granted the property a Commercial zoning classification allowing all uses permitted in the Commercial District. Without any activity on the property or permits pulled, the vested rights letter has expired.

Chapter 50 (Zoning) of the Tomball Code of Ordinances states in Section 50-68 (a) "*territory that has been newly annexed into the city may be initially zoned agricultural, and the district is*

considered a temporary holding zone until permanent zoning is approved. It is anticipated that agricultural zoned land will ultimately be rezoned to another zoning classification for its intended use in accordance with the comprehensive plan in the future.” The property owners are requesting to rezone to a zoning district which will accommodate the proposed development.

ANALYSIS

According to Section 50-77 (a), the Commercial District “*is intended to provide a location for commercial and service-related establishments, such as wholesale product sales, welding/contractors shops, automotive repair shops, and other similar commercial uses*”.

There are several nonresidential land uses in the vicinity of the subject site. Properties located to the north, east and south are not within the City Limits. The uses on these properties include a residential neighborhood (The Estates at Willow Creek) to the north and vacant land to the east and south. Across Hufsmith-Korhville, there is a baseball academy, an automotive shop and a coffee roasting company. These properties are zoned Commercial.

The Comprehensive Plan designates the property as Medium Density Residential. Surrounding properties are designated Low Density Residential to the north, Rural Residential to the east and south and Medium Density Residential to the west. As mentioned, there are a number of commercial land uses as well as commercially zoned properties in the area. Hufsmith-Korhville and (future) Medical Complex Drive are both designated as Major Arterials by the City’s Major Thoroughfare Plan. Section 50-77 states convenient access to thoroughfares is an important component for commercial zoning districts. While the Comprehensive Plan designates this area as residential, the proposed request appears to be most compatible with the area and existing and proposed roadway networks in the vicinity.

ZONING CONSIDERATIONS

In making its recommendation regarding a proposed zoning change, the Planning and Zoning Commission and City Council shall consider the following factors:

A. Whether the uses permitted by the proposed change will be appropriate in the immediate area concerned, and their relationship to the general area and to the City as a whole.

There are commercial uses in the immediate area including a Big League Baseball Academy, VZ Autoworks, Ellis Performance, Copan Trade. The subject site is also within close proximity of the TEDC Business and Technology Park as well as the Baker Hughes developments.

B. Whether the proposed change is in accordance with any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the area.

The proposed rezoning is not anticipated to negatively impact any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the area. The exact alignment of the future Medical Complex Drive has not been determined and should not affect the development of this site.

- C. The amount of vacant land currently classified for similar development in the vicinity and elsewhere in the City, and any special circumstances which may make a substantial part of such vacant land unavailable for development.**

There are vacant properties in the vicinity and elsewhere in the City zoned Commercial District, however, the property in question was once vested as Commercial and has been planned for commercial development.

- D. The recent rate at which land is being developed in the same zoning classification as the request, particularly in the vicinity of the proposed change.**

There has been steady development City-wide in the Commercial District.

- E. How other areas designated for similar development will be, or are likely to be, affected if the proposed amendment is approved.**

If the proposed rezoning is approved, few, if any effects on other areas designated for similar developments are anticipated.

- F. Any other factors that will substantially affect the public health, safety, morals, or general welfare.**

The proposed rezoning does not appear to negatively affect the public health, safety, morals, or general welfare. As previously mentioned, the proposed development will blend well with other existing developments in the immediate area.

- G. Whether the request is consistent with the Comp Plan.**

The Future Land Use plan designates the property Medium Density Residential; however, the nearby properties are zoned Commercial and currently have Commercial uses established.

PUBLIC COMMENT

Property owners that are within the city limits and within 200 feet of the project site were mailed notification of this proposal on March 1, 2016. Notice of Public Hearing was published in the paper and a sign was placed on the property on February 29, 2016. As of March 10, 2016, no public comment forms have been received.

RECOMMENDATION

Based on the findings outlined in the analysis section of this staff report, City staff recommends **APPROVAL** of Zoning Case P16-0020.

RE: Rezoning Request for the Proposed Brandt Construction Office Building located on 13.11459 acres of land, including 4.998 acres of land (TRS 487B-1, 488A, & 489A Tomball Outlots) and 8.1479 acres of land (TRS 487C, 488B, 489B, & 490B Tomball Outlots)

Dear Planning Division,

Mr. Brandt is planning to construct an office building for his construction company on the above referenced project. The property is currently zoned Agricultural and the office building that is proposed is not a current allowable use for this zoning classification. Mr. Brandt respectfully requests the above referenced property be rezoned Commercial so the proposed office building will be an allowable use and can be permitted and constructed. The requested zoning of Commercial will match the other tracts located within the City of Tomball immediately on the west side of Huffsmith-Kohrville road.

Please allow this letter to serve as a formal request for the above referenced project to be considered and rezoned from agricultural use to commercial use.

Sincerely,

Matthew A. Gilbert
Project Manager.

Re: Vested Rights Determination Letter for the Brandt Exploration Commercial Development of 13.11459 acres of land, including 4.998 acres of land (TRS 487B-1, 488A, & 489A Tomball Outlots) and 8.1479 acres of land (TRS 487C, 488B, 489B, & 490B Tomball Outlots)

Dear Mr. Brandt:

By letter dated November 30, 2010, you have asserted a vested right under Chapter 245 of the Texas Local Government Code with respect to the development of approximately 13.1459 acres of property owned or controlled by Brandt Exploration, LLC. After reviewing your vested rights request, the City's records, and consultation with the City's Attorney, I issue this vested rights determination in accordance with Section 48.5 of the City of Tomball's Zoning Ordinance.

Property Owner(s):

Brandt Exploration, LLC
10330 Lake Road -A
Houston, TX 77070-1696

RDBE, LLC
18718 Spring Heather Court.
Spring, TX 77379-2780

The Property: Seven tracts totaling approximately 13.1459 acres of land, out of the Tomball Outlots, (legally described as TRS 487B-1, 488A, 489A, 487C, 488B, 489B, & 490B) Harris County, Texas, generally located on the easterly side of Hufsmith Kohrville Road, northerly of Spell Road. See Exhibit A, attached.

The Project: A commercial development consisting of seven tracts totaling approximately 13.1459 acres as configured in substantially the same layout as shown on the Preliminary Site Plans submitted to the City on February 14, 2007. (See Exhibit B, attached).

Date of First Permit: November 20, 2006 (Annexation Ordinance No. 2006-20 (4.998 acres) and Annexation Ordinance No. 2006-21 (8.1479 acres), Exhibit C).

Regulations Applicable to Property Owner, the Property, and the Project:

All of the City's current Ordinances, including the City's Zoning Ordinance adopted February 4, 2008, are applicable to the Property Owner, the Property and the Project EXCEPT as follows:

401 MARKET STREET • TOMBALL, TEXAS 77375 • 281-351-5484

1. The property classification (i.e., use) of the City's Zoning Ordinance. The Property shall be deemed to have a prior classification of C-Commercial District under the City's Zoning Ordinance for development of the Project. The Property may be used for any use permitted by right in the City's C-Commercial District under Sections 30 and 38 of the City's Zoning Ordinance, as provided in the Zoning Ordinance as of the date of this letter.

2. The lot size, lot dimension, and building size requirements of the City's Zoning Ordinance. The Property shall comply with the Preliminary Site Plans and the City's lot size, lot dimension, and building size requirements that existed prior to the City's Zoning Ordinance for development of the Project, or the City's current Ordinances.

3. Lot coverage requirements of the City's Zoning Ordinance. The Property shall comply with the Preliminary Site Plans and the City's lot coverage requirements that existed prior to the City's Zoning Ordinance for development of the Project, or the City's current lot coverage requirements.

4. Landscaping Requirements of the City's Zoning Ordinance. The Property shall comply with the Preliminary Site Plans and the landscaping requirements that existed prior to the City's Zoning Ordinance for development of the Project, or the City's current landscaping requirements.

Duration of Determination: Pursuant to Zoning Ordinance Section 48.2, some permits vested under this letter may expire two years from the date of such permit unless progress is made towards completion of the Project; provided, however, that such permit(s) shall expire no earlier than the fifth anniversary of the date the first permit applications were filed for the Project (i.e., November 20, 2011), pursuant to Section 245.005 (b) of the Texas Local Government Code. Provided, further, a permit application may expire in less than two years if the applicant fails to provide documents or information necessary to comply with the City's regulations after receiving written notice from the City as provided by Section 245.002(e)(2) of the Texas Local Government Code.

Rights of Appeal: This letter has certain legal consequences. The property owner and/or the City Council have the right to appeal this determination to the City's Board of Adjustments if the property owner and/or the City Council believes that this vested rights determination is in error. Zoning Ordinance, 48.6. Any appeal of my determination must be filed with the Board of Adjustments within 15 calendar days. Zoning Ordinance, 9.8 C. If my determination is not timely appealed to the Board of Adjustments, then my determination shall be considered binding upon the City and the property owners for the duration of the Project. Id. 48.8.
